
Saturday's Recruitment effort and this week's news

Posted by WESM - 2008/08/17 13:29

Well, we had a great time and it was good to be on a indoor floor again!

Saturday we welcomed Ariel to our group who signed up on the spot and even had a copy of her drivers license!! She has already shown tremendous progress and we will all meet her at practice on Monday the 18th.

New skates arrive on Monday for Sharon and Lyssie and they are dying to get on them!

We welcomed The Pepsi Bottling Company as our newest sponsor and they provided all the drinks for the recruitment effort as well as some really nice signage! They will also be doing printing for us for posters and postcards.

It was a really good week for MVRG and we have 4 more players that are in process of filling out paperwork...good thing to as we have 3 bouts already lined up.

NPR (National Public Radio) is re-editing our interview from June for release at the end of the week; so watch for more news about MVRG!

Have a great week everyone!
